

bp's contribution to Wales in 2025

Analysis and modelling by Oxford Economics

Economic contribution

bp supported a contribution of around £80 million gross value added (GVA) to the economy of Wales. This was approximately £1 in every £1,000.

Overall spend with suppliers

bp spent £4 million with Welsh suppliers in 2025, £3 million of which was operational spending and £1 million was capital expenditure.

2025 saw spending across a variety of sectors, with the largest recipients being £2 million with professional services and £1 million with construction.

Supporting jobs

bp supported an estimated 1,000 jobs across Wales, comprising its direct workforce and jobs indirectly supported through supply chain expenditure.

Delivering quality services

There were 23 bp-operated and dealer-operated retail sites in Wales offering quality fuels and convenience. 10 sites offered bp pulse ultra-fast and rapid EV charging.

Spotlight on social investment

As part of our funding of We Are Futures, bp supports teachers and students across the UK through Energising Futures, which provides free, curriculum-aligned science resources. In Wales in 2025, more than 500 teachers across 398 schools used the programme, reaching an estimated 37,000 students indirectly.
